

ONTARIO'S PREMIER LIFE SCIENCE PITCH COMPETITION

January – March 2022

synapselifescience.com

SYNAPSE LIFE SCIENCE PITCH COMPETITION

- Innovation Factory established the Synapse Life Science Competition in 2013 to help entrepreneurs, scientists and researchers bring their ideas to market, increase revenues, attract investment and create jobs.
- In the competition, the innovators form teams with post-secondary students; and participate in a 3-month training program to develop a commercialization plan and investor pitch to support the growth of their business.
